Pire in New Orleans.—Rich's Salamanders once more.—Fresh certificates of the superfority of these Safes over all others, are received almost daily. The Oswege fire proved that nothing but Rich's Safe could stand the intense heat of that conflagration. The Poarl Street Hause fire showed that the reasting of Rich's Safe among hurning oil and candles, for eighteen hours, had no effect on the books and papers; and the recent fire in New Orleans has again proved the indestructibility of Rich's Safemander Safe, as the following certificate shows:

NEW ORLEANS, Thursday, August 81, 1853.

The two stores occupied by us, situated on the corner of the stock of groceries, bagging, rope, det, were consumed by fire on Saturday night, August 16. Upon the assembling of the persons claiming to have heen chosen as members of the Democratic Republican General Committee for the year 1853, at Talmmany itall, on the second Thursday in January, pursuant to the usual notice given by the officers of that committee for the year 1853, at Talmmany itall, on the second Thursday in January, pursuant to the usual notice given by the officers of that committee for the preceding year, two candidates were nominated simultaneously for temporary chairmas.
